INVITES YOU TO:

HOPE *for* HEALING

JUNE 24TH 2023
10 YEAR CELEBRATION BENEFIT DINNER

LIVE MUSIC + FARM TO TABLE DINNER
LIBERTY HALL
FRANKLIN, TN

A 501c3 Non-Profit Organization

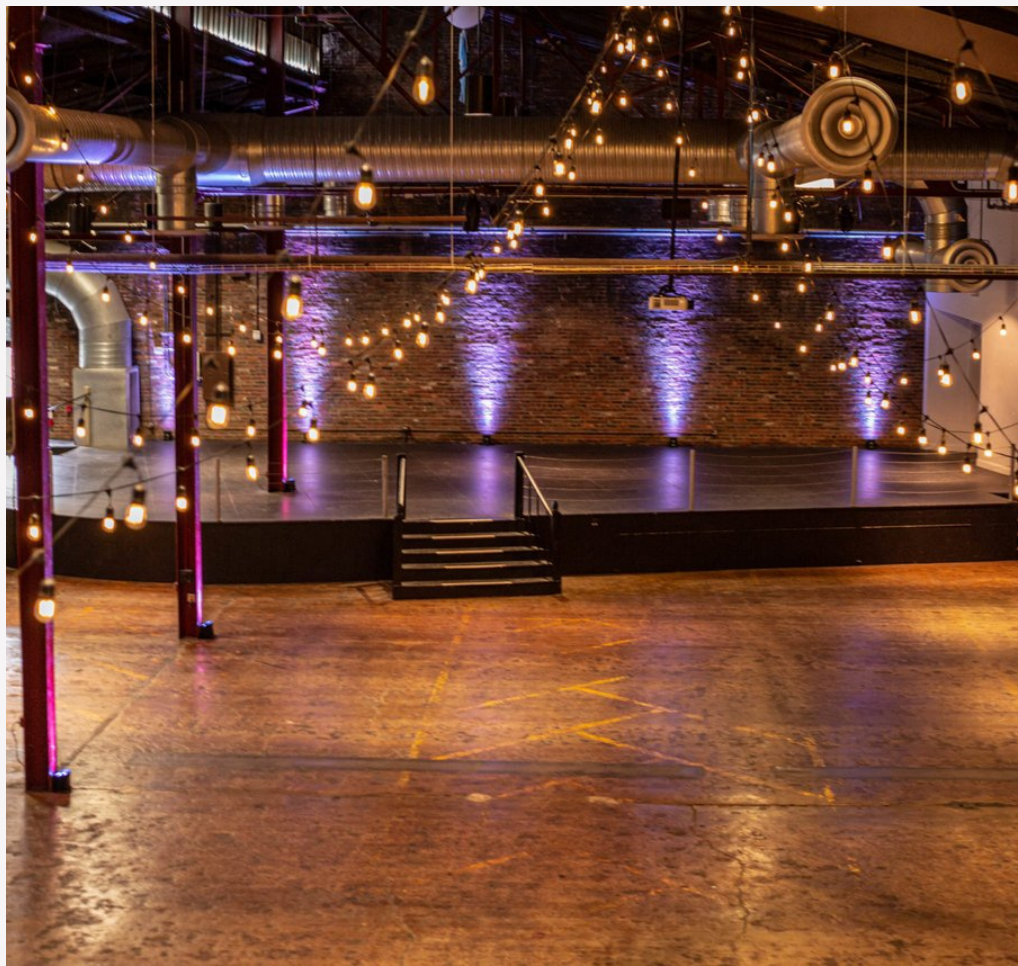

The 2023 Hope for Healing celebrates 10 years of the hands that have prepared and delivered meals from our healing kitchen, and planted and harvested from our Giving Garden; the minds that have ensured the promise of our mission; and the caring hearts that have offered health, healing, and hope to our community.

Join us for a night of live artisans, cocktail hour, and a farm to table dinner - all the while Nashville musicians fill the night with their sound. Funds raised from this event benefit The Heimerdinger Foundation's signature program, Meals 4 Health and Healing.

THE STORY

The Heimerdinger Foundation was founded by Kathie Heimerdinger whose husband, Mike (former Tennessee Titans Offensive Coordinator), passed away from cancer in 2011. After his passing, her family channeled their grief into supporting not only the cancer patient but also the caregiver. Through their experiences, they became acutely aware of the huge burden a cancer diagnosis is on the whole family, not just emotionally and financially, but how it upends the entire family. Food is medicine and is a source of comfort and connection as well. Meals 4 Health and Healing fills that gap and allows for caregivers to focus on their loved one.

Our Mission is to provide nutrient-dense organic meals and nutrition education, free of charge, for people facing cancer. Along with this mission is the priority of youth development. As we engage teen volunteers into joining our Meals 4 Health and Healing team, we provide nutrition education, cooking skills, meal preparation, leadership skills, and the importance of giving back to the community.
