WEST GLOW
FARM
KINGSTON SPRINGS, TN

Our Mission is to nourish the bodies, minds and hearts
of those facing cancer through the power of healthy meals
and nutrition education.

The 2024 Roots Dinner celebrates 11 years of the hands that have prepared and delivered meals from our healing kitchen, and planted and harvested from our Giving Garden; the minds that have ensured the promise of our mission; and the caring hearts that have offered health, healing, and hope to our community.

Join us at West Glow Farm for a night of cocktails in the creek followed by farm to table dinner. Funds raised from this event benefit The Heimerdinger Foundation's signature program,
Meals 4 Health and Healing.

OUR MISSION

THE WHY

Research shows that nearly 80% of cancer patients end up malnourished as a result of treatment.

We've seen first-hand the incredible burden that cancer places on families.

The diagnosis of a serious illness like cancer often serves as a catalyst to change lifestyle habits, such as rethinking the food we eat.

THE INSPIRATION

The Heimerdinger Foundation is a nonprofit (public 501(c) 3) organization founded in 2011 following the passing of Tennessee Titans Offensive Coordinator Mike Heimerdinger from cancer.

His wife, Kathie, and their family learned first-hand the challenges of managing medical appointments, treatments, and stressful emotions, while also working to find time to shop for and prepare good, nutritious food. From their family's experience and loss, in 2013 Meals 4 Health and Healing was born.
